Dear Mr. Brown,

Thanks for your letter. I appreciate it very much.

I enclose a flyer on a new book due soon.

It is not safe for me to travel so I can do shows only by phone or when the show's people come here.

It is too early to give any final opinion on the ARRB. I've been trying to help them and they or the Act have been responsible for the disclosure of a great volume of records.

The real question is will they press the agencies to disclose all they have.

But it will be self-deluding to expect a smoking gun in any of them as you' see in the very beginning of the new book the flyer of which I enclose.

Thanks and best wishes,

Harold Weisberg
